1300 South Third Street, Ozark MO 65721 ♦ www.ozarkcoc.org

Dear brothers and sisters,

The thirteenth annual Memorial Day Weekend Meeting of the Ozark, Missouri congregation is approaching rapidly. Bro. Nathan Battey of Arlington, Texas is in charge of the meeting this year. Nathan has chosen for this year's theme "The Christian's Transformation" with lessons drawn from Romans chapter 12. We are very excited about this meeting and hope you will make plans to attend this year. Also, we request that you please post the flyer and announce in your home congregation.

The past few years have been a tad uncomfortable in services as we tried to fit 180+ people into our building. Once again this year we will have a facility for the evening services of the meeting that will seat 400+. This room is the auxiliary gym at the same school where we have been having our hospitality events. See the flyer and map below for more information.

The Ozark congregation is looking forward to extending our hospitality to as many visiting brethren as possible. If you want to stay in a member's home please call one of the phone numbers listed below. As in past years, there are also homes set aside just for the single young men and women in attendance.

For those who prefer a motel, there is a list of local accommodations below. There are many others in the Springfield–Branson area but only some Ozark/Nixa motels are listed.

Any faithful, young Christian man, who has begun to teach and would like to speak at the Saturday evening five minute talks, is encouraged to contact Isaac Bunner (see below). We look forward to the meeting and hope you will be able to come and be a part of it. For more information or to arrange accommodations, contact:
