I would like to recommend that you read **The Fourfold Gospel** by J. W. McGarvey in concert with the Life of Christ plan. See me if you need a copy.

## Rules For Bible Understanding

**Rule Three:** “Rightly divide the word of Truth” (2 Tim. 2:15)  
Discriminate between the Old and New Testaments.

- Galatians 3:24-29
- Ephesians 2:15-18
- 2 Corinthians 3:2-15
- Colossians 2:14
- Romans 15:4
- Romans 7:7-14
- 1 Corinthians 10:6-14

Read the passages above carefully in your own Bible, as they are too lengthy to print in the **Bible 365** for this week.

### Quiz Time

**Name the original 12 Apostles.** Try this first from memory, then fill in what is missing by consulting the first readings under the “Harmony of the Life of Christ” on reverse side.
